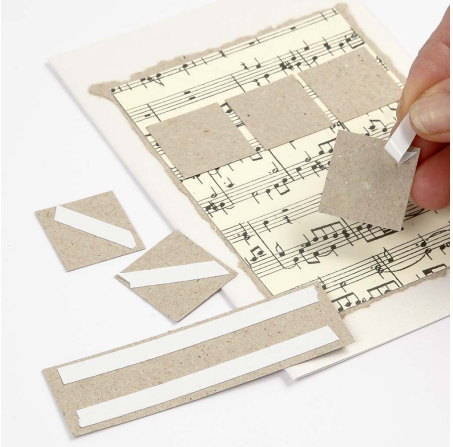
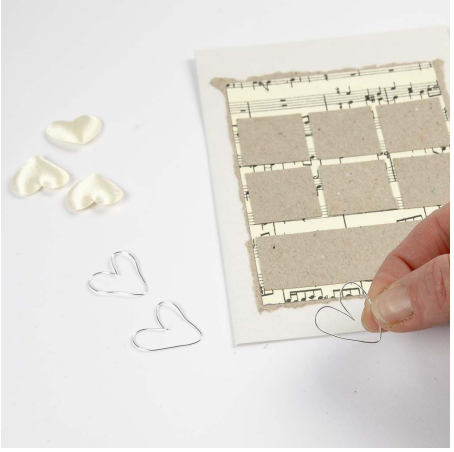
Deze prachtige kaarten zijn gemaakt van recycled karton en muzieknoten karton. Ze zijn gedecoreerd met satijnen harten, verzilverd draad en plastic kralen van Vivi Gade.

Hoe werkt het

1. The Invitation: From recycled paper cut six squares measuring 2.5 x 2.5cm and one piece measuring 8.5 x 2.5cm. Also tear a piece measuring 9 x 12cm (tear it along the edge of a table.) Cut a piece of Music Notes card measuring 11 x 8.5cm.

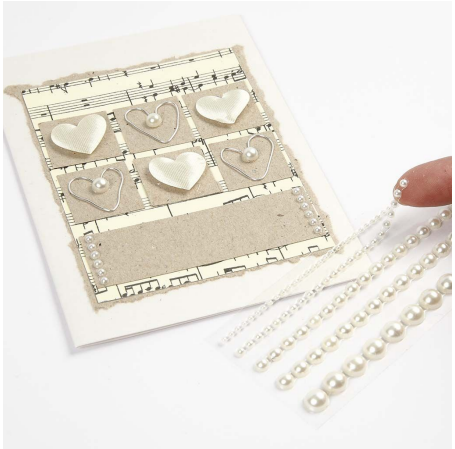


2. Attach all the parts onto the card using double-sided adhesive tape.



3. Cut three pieces of silver-plated wire, each measuring 7cm. Bend these into heart shapes.

4. Attach the hearts and the beads onto the card using a glue gun.

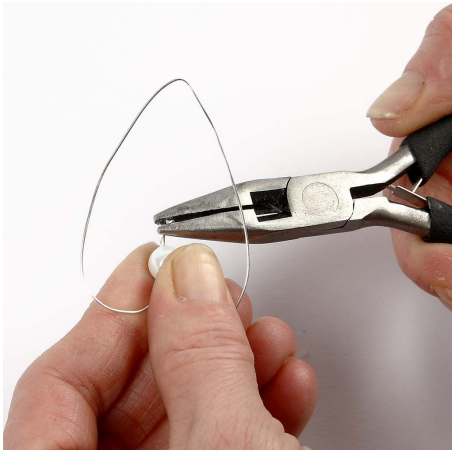


5. Attach the self-adhesive rhinestone half-pearls onto the card.

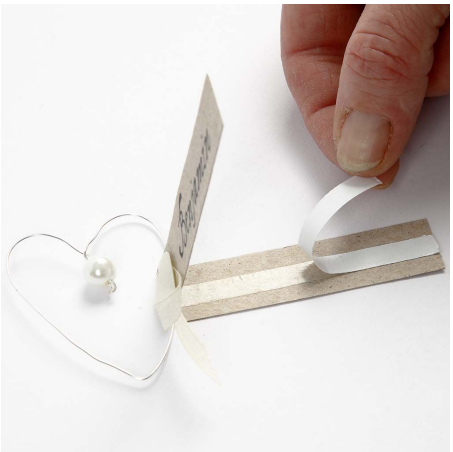
6. Cut an 80cm piece of organza ribbon and place it inside the card, tying it in a bow on the front of the card.

7. The Menu Card: Tear a piece of recycled paper measuring 10.5 x 10.5cm and cut a piece of recycled paper measuring 5.5 x 5.5cm. Cut a piece of Music Note card measuring 10 x 10cm. Cut a 20cm piece of silver-plated wire and form to make a heart. Attach all the parts onto the card in layers using double-sided adhesive tape. The procedure is the same as used for the invitiation.

8. Place Card: Cut a piece of recycled paper measuring 1.5 x 14cm. Fold it in half. Write the name and glue the organza ribbon and the satin heart onto the place card using a glue gun.



9. Cut an 18cm piece of silver-plated wire. Form a heart and insert the ends into the bead and bend the wire.



10. Attach the place card onto the heart using double-sided adhesive tape.
