

## Kerstcadeaus inpakken met cadeaupapier met kerstbomen

v15018

Deze geschenken zijn verpakt in cadeaupapier met kerstbomenmotief. Voor decoratie zijn gebruik stukken natuurlijk hennep, decoratief lint en faux leather papierdecoraties.

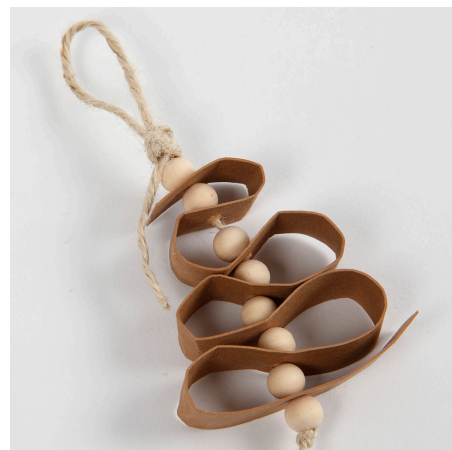

### *Hoe werkt het*

**1** Cut a piece of cord measuring approx. 30 cm and thread onto a needle. Tie a loop at the top and thread beads and a faux leather paper star strip alternating on the cord.

**2** Tie a knot and trim.

**3** A tree made from a faux leather paper star strip and beads.

**4** Attach 3D foam pads on a faux leather paper snowflake.

**5** Assemble the snowflake and attach it onto the presents with 3D foam pads.

**6** A present with a faux leather paper snowflake.

**7** A present with a faux leather paper star strip Christmas tree.

**8** A present with a faux leather paper snowflake.
