

Blauwe menukaart met geponste vellum vlinder

v15382

Introduceer vlinders aan tafel met zelfgemaakte menu kaarten gedecoreerd met vellum vlinders. De vellum vlinder heeft een glanzende schaduw gemaakt met deco-folie.

Hoe werkt het

1 Cut a 7.5 x 18 cm piece of card. Use a glue pen to apply glue across the lines of the silicone stamp with the butterfly design. Turn over the stamp and press it onto the top half of the card.

2 Leave the glue print until it is tacky; i.e. it's still sticky but doesn't stick to the fingers when touched. Place the deco foil on top and rub hard to attach it onto the glue. Carefully remove the deco foil sheet.

3 Punch out a butterfly from vellum paper. Use cutting plate C underneath and base plate B on top.

4 Glue the body of the vellum paper butterfly onto the menu card on top of the deco foil butterfly. Print out the menu text and glue it onto the menu card.
