

Menu voor bruiloft met kant van karton en halve parels

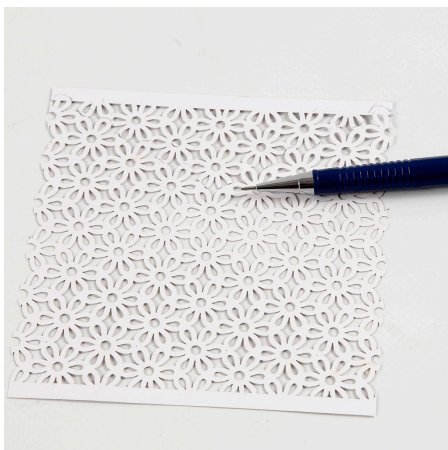

v15186

Maak uw eigen bruiloft menukaarten van vellum geplaatst in een decoratieve envelop van karton met een patroon van kant en halve parels.

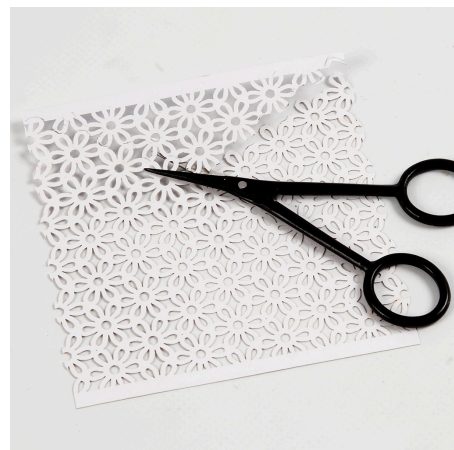

Hoe werkt het

1 Cut a 10.5 x 11.5 cm piece of white card. Place the lace patterned card lengthwise and trim the sides, making it symmetrical with a flower in the middle.

2 Use a thin pencil for marking where to cut around the flowers.

3 Cut around the flowers with a small pointed pair of scissors, making sure to cut a laced edge of intact flowers.

4 Attach the lace patterned card onto the card using double-sided adhesive tape at both sides and the bottom.

5 Decorate with half-pearls.

6 Print out the menu text onto vellum paper and insert it inside the pocket.
