

Cosy ceramic houses with glitter details

v16205

Let the cosiness begin! These ceramic houses are beautiful as they are, but with a bit of paint and glitter, they become even more beautiful! Paint them with acrylic paint and decorate further with 3D liner. They are an easy and beautiful decoration for the window sill.

Hoe werkt het

How to do it: Paint the roof with acrylic paint. Apply two coats and leave to dry.

A tip You may use a LED tea lights to provide a cozy atmosphere and better indoor climate – without being a fire hazard ...

2 Decorate further with 3D liner with glitter. Make dots all over or in defined areas or decorate around the windows.

3 Leave to dry.
