**How to do it:** Paint the cork with acrylic paint and leave to dry.

**4** Draw facial features with a thin black marker pen and add hair from carded wool.

**A tip** Glue on a ribbon or a cord inside the hole of the bead at the top or sew a thread in the elf's hat for hanging.

**2** Attach a wooden bead for the head using a glue gun.

**5** Add dots onto the body, the hat and the face using a brush handle dipped in paint. Leave to dry.

**3** Cut an elf's hat, a scarf, a carrot nose and angel wings from felt and attach onto the cork.

**6** Make holes for the snowman's arms and push small sticks into the holes, securing with a blob of glue.
