

Hanging decorations for spring

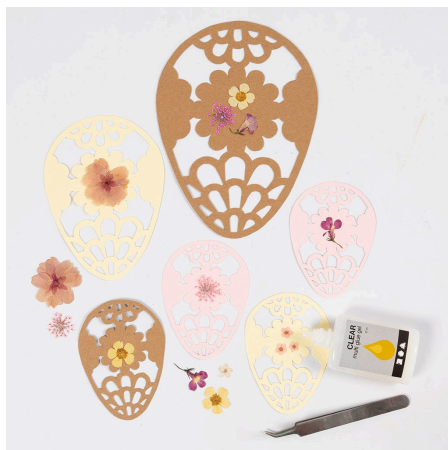

v16170

Print the template at the bottom of this page. Cut away the designs and attach them onto your chosen colour card so that they don't move whilst cutting. Now cut out the designs.

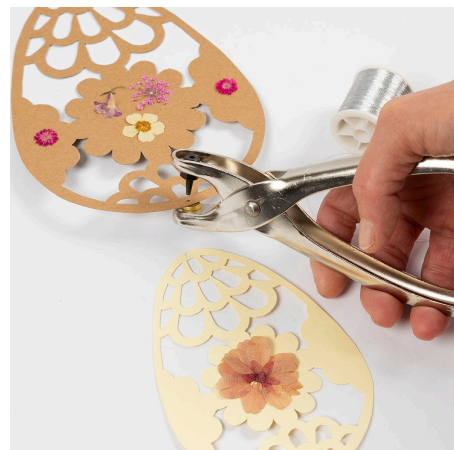

Hoe werkt het

1 Print the template at the bottom of this page. Cut away the designs and attach them onto your chosen colour card so that they don't move whilst cutting. Now cut out the designs.

2 Decorate further with dried flowers attached with Multi Glue.

3 Make a small hole for hanging (you may use a hole punch or a sewing needle. Thread a piece of silver thread through the hole for hanging.
