

Leer taarten en snoepjes tekenen

v16739

Leer figuren tekenen op basis van dezelfde basissjablonen, die naar eigen inzicht samengesteld kunnen worden.

Hoe werkt het

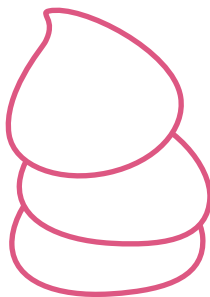

1 Druk het sjabloon af, dat u als aparte pdf op deze pagina kunt terugvinden (pagina 1 en 2 zijn in kleur en pagina 3 en 4 zijn in zwart-wit). Teken verschillende vormen aan de hand van de stappen op het sjabloon.
