

Decoratie voor de kerstboom

v12154

Uitgestanste kegels met bontrand.

Hoe werkt het

1. Assemble the cone with special double-sided adhesive tape.

2. Cut a piece of artificial fur for the fur trim by lifting the fur a bit.

3. Attach special double-sided adhesive tape to the fur trim and attach this to the cone.

4. Attach the handle to the inside of the cone.
