

## Kerst cadeaus

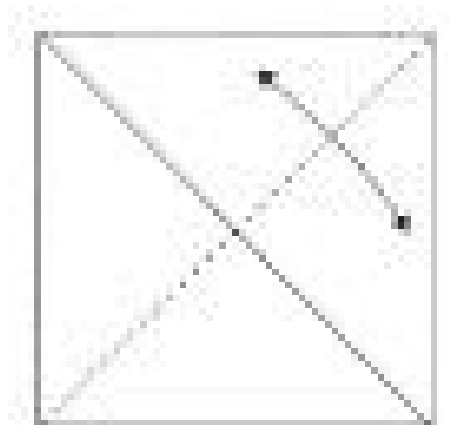

v11266

Coole kerstcadeaus gemaakt van Vivi Gade origami papier.

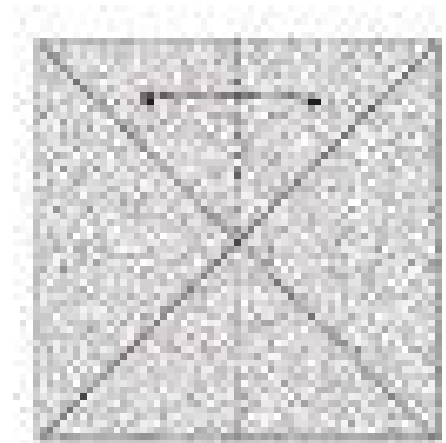

### *Hoe werkt het*

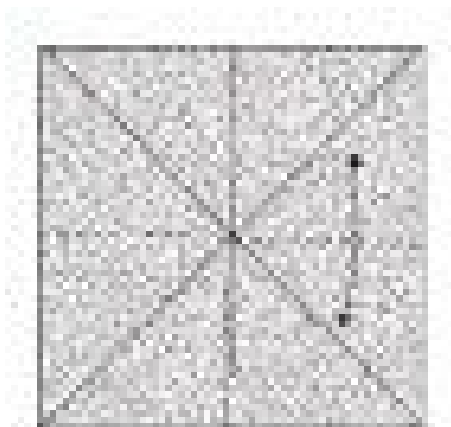

**1** Place the square paper with one side up and fold diagonally and unfold again.

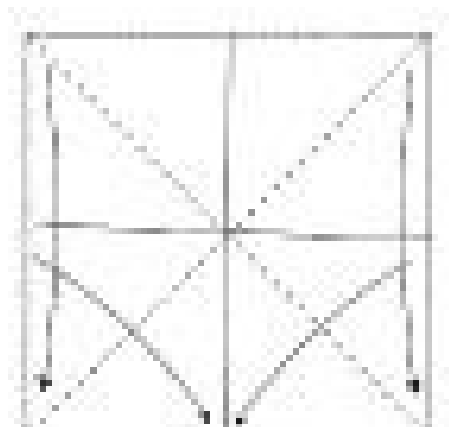

**2** Fold diagonally the opposite direction and unfold again.

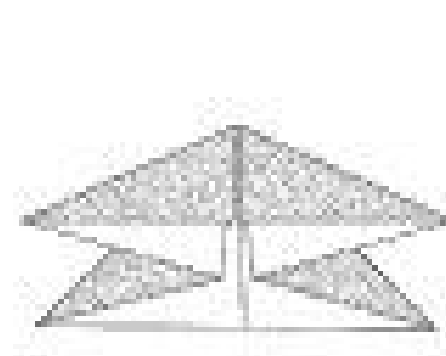

**3** Turn the paper and fold the paper in half in the middle in one direction and unfold again.

**4** Fold the paper in half in the middle in the opposite direction and unfold again.

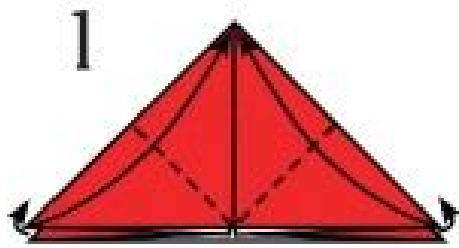

**5** Place the paper on a flat surface and fold it following the arrows.

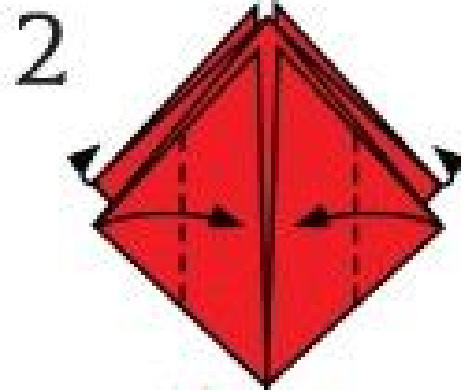

**6** The finished basic folding.

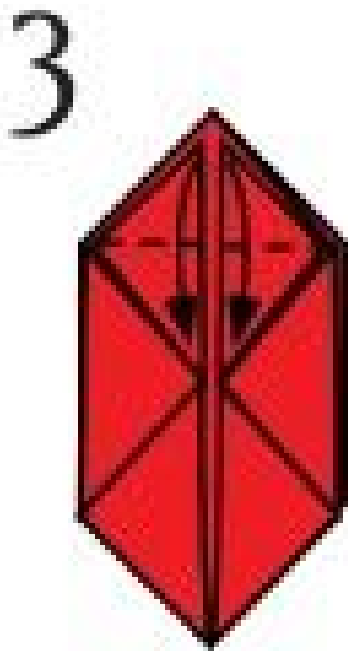

## The Christmas bomb -

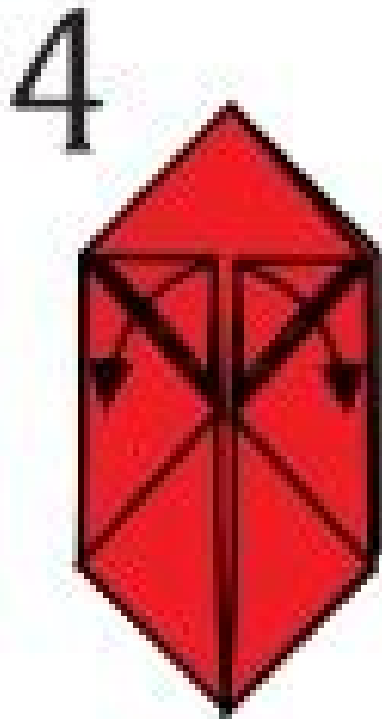

**1** Fold the ends up following the directions of the arrows, turn and do the same in the other side.

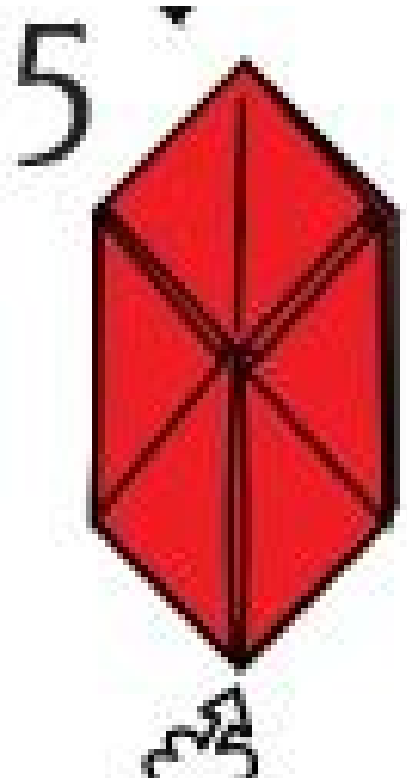

**2** Fold the sides in toward the middle, turn and do the same in the other side.

**3** Fold the ends down, turn and do the same in the other side.

**4** Fold the little triangle and put it into the slot on the side fold so that it locks. Do this on both sides.

**5** Blow into the small hole at the bottom until the bomb inflates.
