

Gedecoreerde ringband

v12059

Handgemaakt papier en kurk is gelijmd op de ringband. Geverfd met Plus Color en gedecoreerd met voorgestante motieven, voorgestante tekst en leerkoord.

hoe werkt het

1 Use masking tape to cover a small area of the spine and paint the exposed area on the spine with Plus Color. Remove the masking tape immediately. Paint the die-cut designs.

2 Cut a piece of hand-made paper and attach onto the front of the binder with VTR adhesive.

3 Glue on a piece of cork. You may also glue a small piece of cork onto the spine.

4 Die-cut letters on the Big Shot machine.

5 Glue on text.

6 Tie a leather cord around.

7 Glue on the painted die-cut designs.
