

Papier-maché paard met decoupage

v11969

Paard geverfd met witte Plus Color acrylverf en vervolgens beplakt met decoupage papier. Decoreer vervolgens met strassenstenen.

Hoe werkt het

1. Paint the horse with white Plus Color paint.

2. Tear/cut the decoupage paper into small pieces and glue onto the horse with decoupage lacquer.

3. Smooth out the small creases with a finger.

4. Paint the ears and the tail with pink Plus Color.

5. Apply a couple of coats of varnish to the whole of the horse.

6. Attach rhinestones as decoration.
