

## Kersthart van London Design Papier

v11930

Dit eenvoudige, gevlochten hart is gedecoreerd met cake servetten.

### *Hoe werkt het*

**1.** Draw the heart and the handle on London Design Paper using the template and cut out.

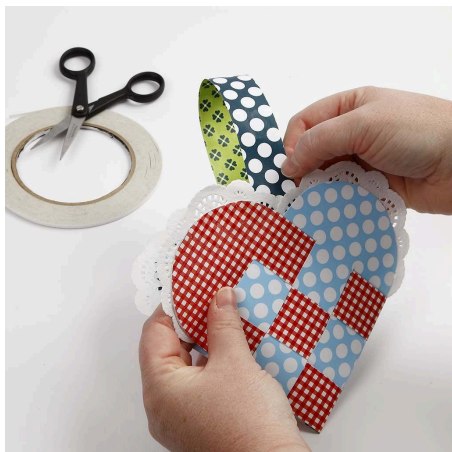

**2.** Weave the heart.

**3.** Decorate the heart with doilies. You will need four doilies which are attached onto the heart using double-sided adhesive tape.

**4.** Attach the handle with double-sided adhesive tape.

**5.** Cut out a bird design. Make a rosette with this and the doilies. Cut out the middle of the doily. Make small pleats with the lace border when attaching it to the bird motif with double-sided adhesive tape.

**6.** Attach the bird design rosette to the heart using double-sided adhesive tape.
