

Kaarten met handgemaakt papier en vilten stickers

v12166

Kaarten gemaakt van recycled karton, gedecoreerd met handgemaakt papier in retro kleuren en met decoratief lint en zelfklevende stickers van vilt.

Hoe werkt het

1. Cut paper into different sizes and put them onto the card in layers using double-sided adhesive tape.

2. Attach the ribbons with double-sided adhesive tape.

3. Remove the protective layer on the reverse of the felt stickers and attach the stickers to the card.

4. To make a bow: Cut the ends of the bow from ribbon and attach these to the card.

5. Make a ring using a piece of the ribbon and close it in place using double-sided adhesive tape.

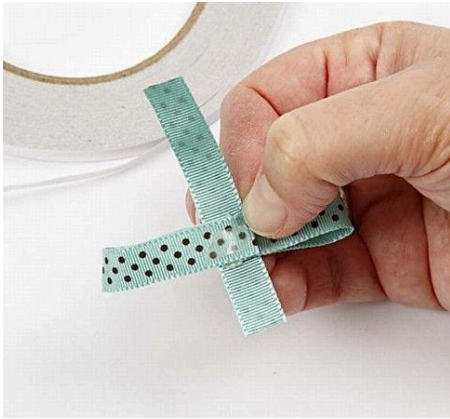

6. Squeeze the ring in the middle to make it slightly flat.

7. Cut off the excess piece of ribbon.

8. Put a small piece of ribbon across.

9. Attach the bow to the card.

10. Attach felt stickers.
