

Haarbanden met grote ogen

v12135

Deze prachtige haaraccessoire is gemaakt met vormen geknipt uit slaapmat dat geverfd is met Plus Color acrylverf en bevestigd aan de haarbanden.

hoe werkt het

1. Cut out shapes from sleeping mat material.

2. Paint the shapes with Plus Color Craft Paint.

3. Glue the shapes together with hobby glue. (You may use a glue gun for the eye lashes).

4. Make a coil from bonsai wire wrapped around a flower stick or a different round object.

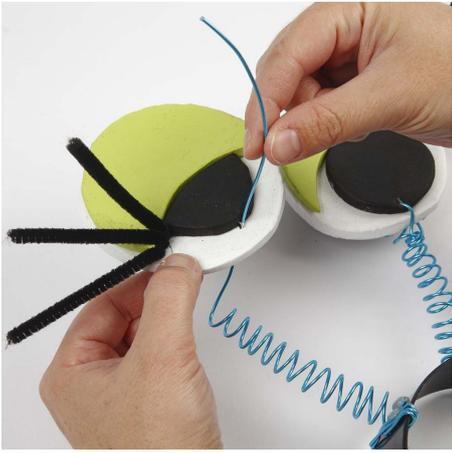

5. Wrap one end around the hair band.

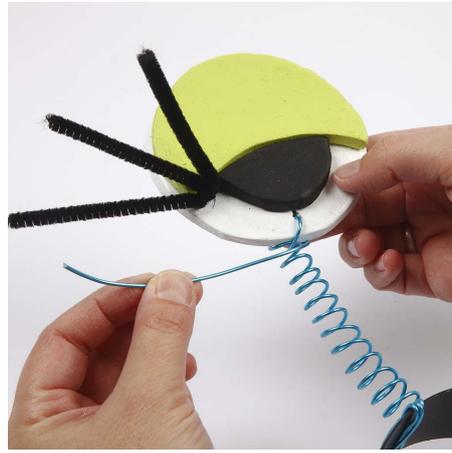

6. Glue the bonsai wire in place using a glue gun.

7. Pull the shape onto the other end of the bonsai wire.

8. Wrap the bonsai wire around.
