

Vlaggetjesdag

v12494

Maak zomerse vlaggen van vilt en decoreer deze met servetten die gelijmd worden met A-color Allround medium lijmlak.

hoe werkt het

1. Apply a thin yet covering layer of A-color Allround medium glue lacquer to the felt using a brush.

2. Attach the outer thin layer with the design onto the felt and gently apply another layer of A-color Allround medium glue lacquer. Let it dry.

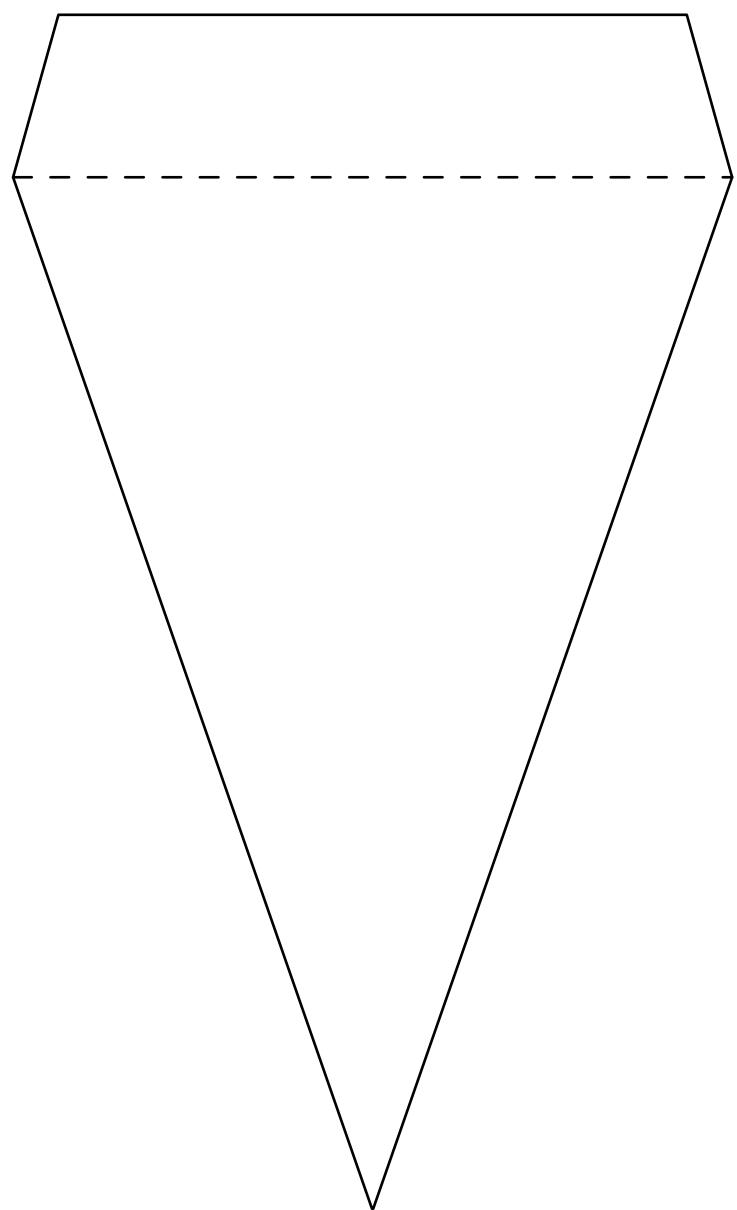

3. Cut streamers using the template.

4. Attach the tpp end of the streamers around a piece of flax twine using a glue gun.
