

Bloempotten met dennenappels

v12445

The pine cones have been decorated with modelling paste, with glitter sprinkled over and moss stuck on top. The pots have been decorated with star anise painted with metallic gold A-color paint.

hoe werkt het

1. Brush fine modelling paste onto the pine cone.

2. Sprinkle transparent glitter over the wet modelling paste.

3. Paint the flower pot with matt A-Color paint.

4. Paint the star anise gold with A-Color metallic paint.

5. Glue the star anise to the pot with a glue gun.

6. Stick pieces of moss in between the pine cone petals.
