

Kussens van patchwork

v12381

Placemats zijn in vierkanten geknipt en aan elkaar genaaid als kussenhoes. Gedecoreerd met pompon lint en parelmoer knopen.

hoe werkt het

1. Cut seven squares each measuring 13 x 13cm in different colours. Cut nine squares in half, making triangles.

2. Arrange all the squares and triangles in the desired colour pattern and assemble with pins.

3. First sew the squares together in rows and finally sew the rows together.

4. Press and iron the patchwork piece, put it against the placemat, outer side against outer side.

5. Make a fold on the patchwork piece of approx. 5 cm. Sew this down, making an inner fold. This results in the patchwork piece being smaller than the placemat. Sew together and turn inside out.

6. Sew three buttonholes in the placemat fold.

7. Sew on pompon ribbon and mother-of-pearl buttons.
