v12713

Deze cirkels zijn geknipt uit Vivi Gade Design papier en geregen op een lint.

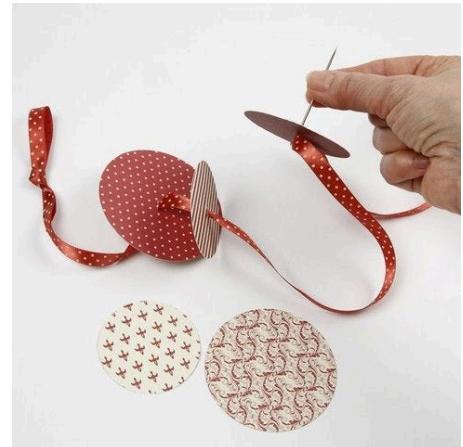

hoe werkt het

1. Cut out the different sized circles using the template. Use plain and patterned paper.

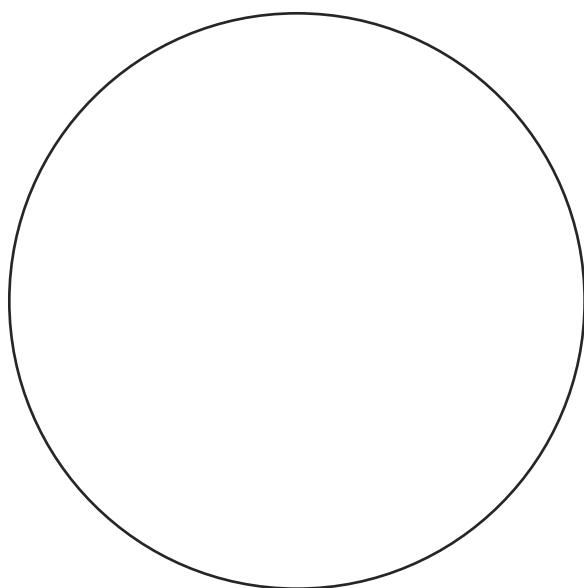

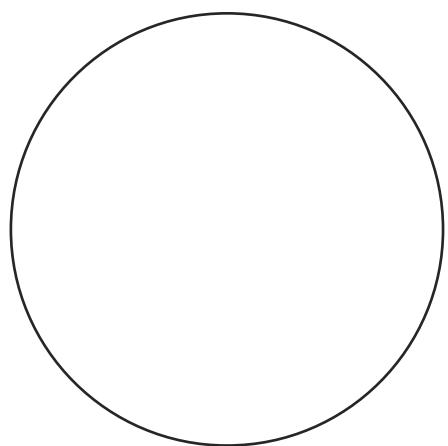

2. Tie a loop in one end of the ribbon. Thread the other end of the ribbon onto a darning needle.

3. Now thread all the circles onto the ribbon alternating with size, pattern and colour. Finish by tying a loop on the other end of the ribbon.
