

Een van ... aan ... kaart

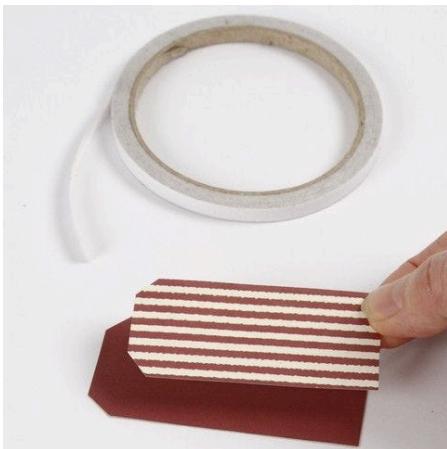

v12712

Deze labelkaart is gemaakt van Vivi Gade Design papier en karton. Het is gedecoreerd met gestreept katoenkoord, zelfklevende halve parels en houten kralen.

hoe werkt het

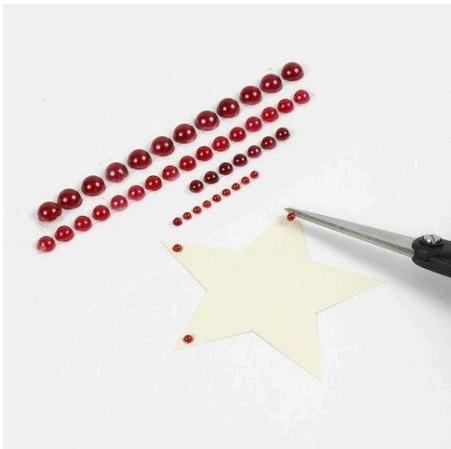

1. Cut out the parts from card using the template.

2. Glue the two different sizes cut-out gift tags together using double-sided adhesive tape.

3. Punch a hole at the top with a hole punch.

4. Attach the self-adhesive rhinestone half-pearls to each of the tips of the star.

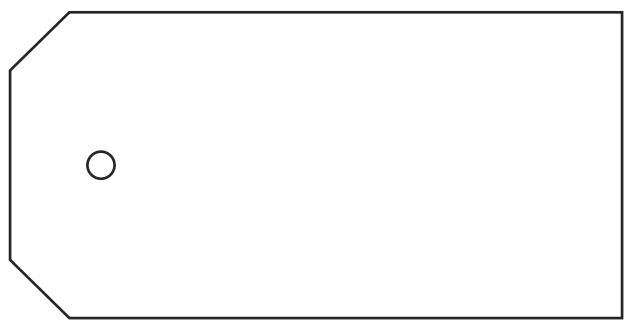

5. Attach the star onto the gift tag using double-sided adhesive tape.

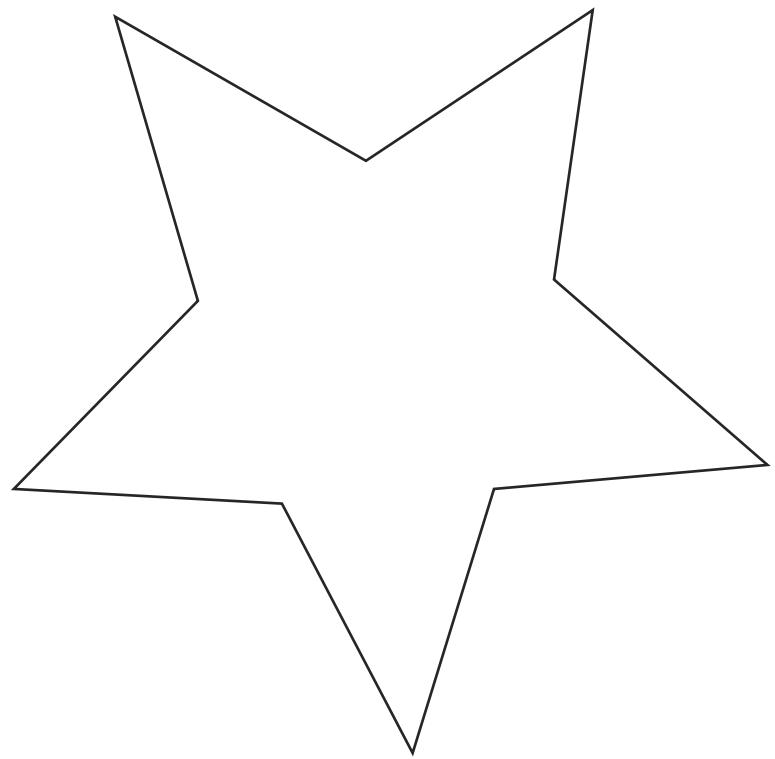

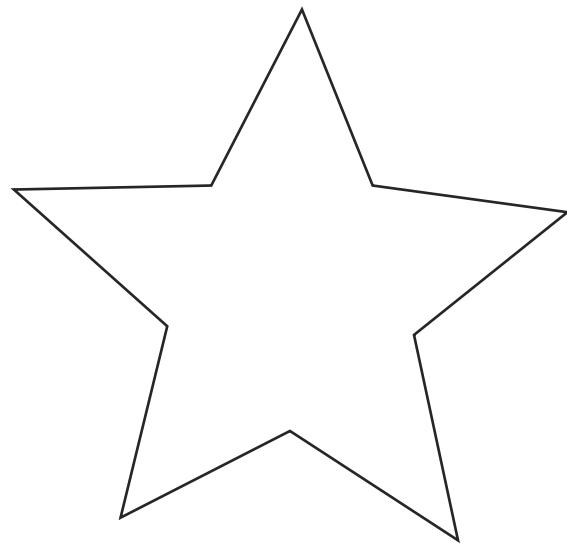

6. Tie a piece of striped cotton sting through the hole of the gift tag and tie a wooden bead onto each end of the string.
