Waxinelichten met stof en knopen

v12631

Vivi Gade Design katoen is gelijmd op waxinelichten met gehaakte randen en knopen.

Hoe werkt het

1. Attach Power Tape to the candle holder at the same width as the width of the fabric.

2. Use pinking shears when cutting the fabric and then attach the fabric onto the candle holder.

3. You may attach a crochet lace border.

4. Sew a piece of thread in the buttons and glue these on.
