

Ketting met hangers

v12578

Verzamel metalen hangers in een sleutelring m.b.v. ovale ringen. Bevestig de ring aan een lang stuk jasseron / sieradenketting.

Hoe werkt het

1. Using a large oval ring, assemble both ends of a long piece of jewellery chain in a keyring.

2. Assemble the pendants in the keyring using oval rings.

A. See other variants: Black agate beads and Fashion Mix silver beads are threaded onto a piece of elastic beading cord.

B. Tie knots on a piece of doubled-over leather cord. Attach pendants with oval rings.

C. Assemble the piece of jewellery chain with a lobster claw clasps and attach pendants using oval rings.
