

Uitnodiging en kaarten met harten van zink

v12941

Deze serie kaarten is gemaakt van kaarten uit de Vivi Gade Design (de Skagen serie). De kaarten zijn gedecoreerd met vezelpapier, karton en papier uit de ColorBar serie, katoenkoord, zelfklevende strasstenen en een hart van zink.

Hoe werkt het

1. Attach silver fibre paper onto the greeting card using double-sided adhesive tape.

2. Tie a piece of waxed cotton cord around the front of the greeting card.

3. Cut a piece of grey Color Bar card and a slightly smaller piece of Kraft paper with the invitation text and attach both to the greeting card.

4. Attach the zinc heart onto the front of the greeting card using 3D foam pads.

5. Decorate with self-adhesive rhinestones.

6. The menu card: Cut a piece of card measuring 21 x 8.5cm. Measuring 4cm from the top of the card, score along the fold (and bend the fold backwards).

7. Print out the menu onto a piece of party card and attach it and a piece of fibre paper onto the long piece of card. Decorate with a zinc heart and rhinestones.

8. Punch out hearts from white card using a paper punch and glue them together in pairs around the ends of a piece of cotton cord tied around the neck of a small plastic container which is filled with rice.

9. Feed a piece of cotton cord through the metal heart eyelet. Hang a zinc heart inside the metal heart on the hook below the eyelet. Tie the cotton cord onto the neck of the glass bottle containing the flower
