

Feestelijke uitnodigingen en kaarten met decoratief karton

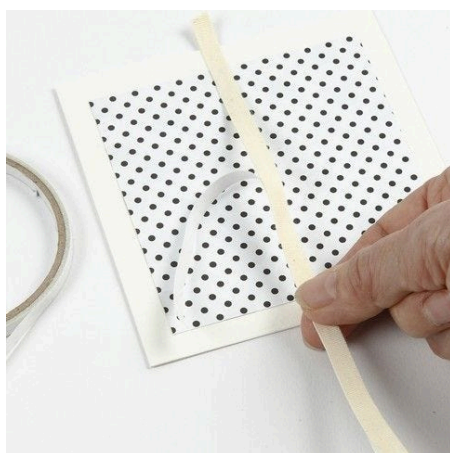

v12937

Deze serie kaarten is gemaakt door ColorBar papier en karton te bevestigen op kaarten en deze te decoreren met filigrain karton afgeknipt van decoratief karton voor cupcakes en doosjes, lint, strasstenen en stippen gemaakt met de Parel Pen.

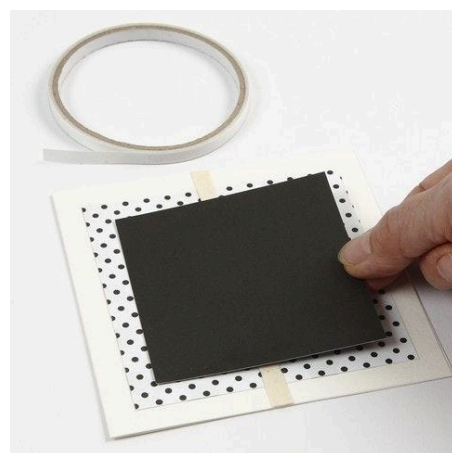

Hoe werkt het

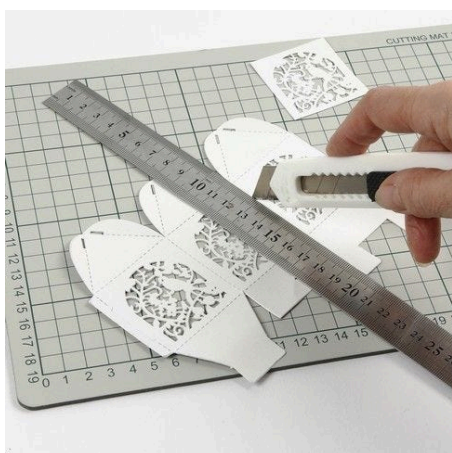

1. Cut the paper 1cm smaller on all four sides than the size of the greeting card and attach it to the greeting card.

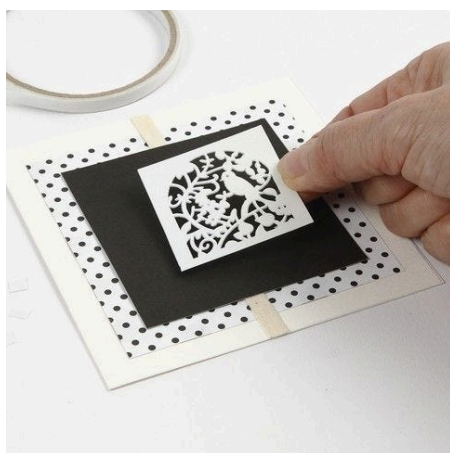

2. Attach the ribbon to the greeting card using double-sided adhesive tape and trim the edges.

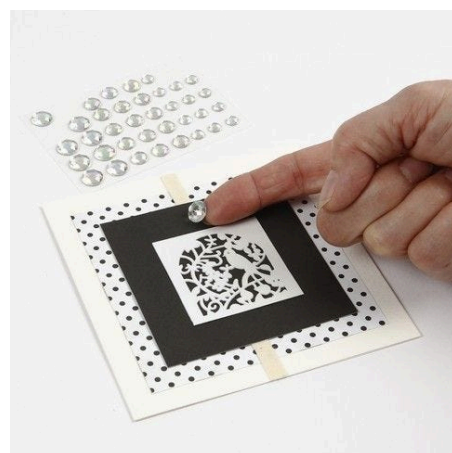

3 Cut a piece of black card 1cm small on all four sides than the size of the previous piece of paper. Attach this to the greeting card with double-sided adhesive tape.

4. Cut a laser cut filigree design away from the decorative box.

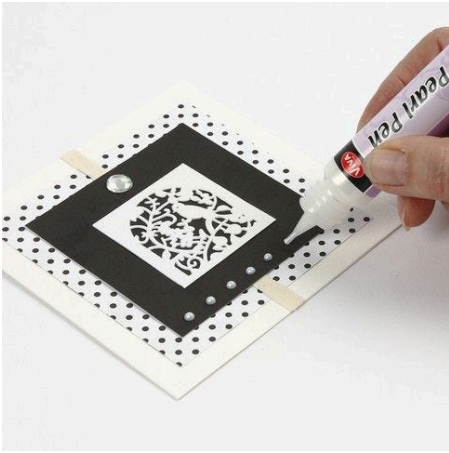

5. Attach the filigree design onto the greeting card using double-sided adhesive tape.

6. Decorate with self-adhesive rhinestones.

7. Make dots using a Pearl Pen.

8. Menu card: Cut a piece of white card measuring 24 x 9cm, bend and decorate it using the same procedure as previously described. Trim the decorative laser cut border.

9. Print a text onto a piece of white party card. Attach the text and the decorative laser cut border onto the front of the menu card. Attach the menu inside the card.

10. A decorative box: decorate the laser cut box with dots made with a Pearl Pen. Assemble the box when dry. Insert the organza ribbon through the holes at the top, pull and tie a bow.
