

A Christmas Card with Vivi Gade Design Decorations

v13488

Attach design paper, self-adhesive wood veneer stickers and self-adhesive rhinestones onto the front of the greeting card. All from Vivi Gade's red/white Copenhagen design series.

hoe werkt het

1. Cut out and attach a piece of design paper slightly smaller than the light framed area on the front. Use self-adhesive double-sided tape.

2. Attach a piece of masking tape vertically onto the front of the greeting card. Trim the edges.

3. Attach the self-adhesive sticker onto the middle of the front of the card.

4. Attach a self-adhesive rhinestone in each corner.
