v1339

Hoe werkt het

1 Draw the pattern on a piece of paper, and cut it out.

2 Turn the paper over, score along the dotted lines with a firm (not too sharp) stylus and bend.

3 Assemble the bag by adding double sided tape on one side and press the two sides together.

4 Fold the sides in at the bottom and assemble with a piece of double-sided adhesive tape.

5 Cut out a picture from the sheet.

6 Attach the picture onto a piece of patterned paper using double-sided adhesive tape.

7 Attach this onto the bag using double-sided tape.

8 Make a hole for the brad with an eyelet tool and attach the brad.

9 Decorate with rhinestones.
