A Papier-Mâché Christmas Hanging Decoration with Foam Clay

v13386

This papier-mâché Christmas hanging decoration is covered with Foam Clay and decorated with rhinestones pushed into the Foam Clay.

Hoe werkt het

1. Roll a small ball from Foam Clay. Push it onto the star using your fingers. Smooth it out and use this procedure until the entire star is covered.

2. Roll another small ball. Push a rhinestone into this ball and attach the ball onto the star by pushing it onto the star.
