

Copenhagen christmas card

v1366

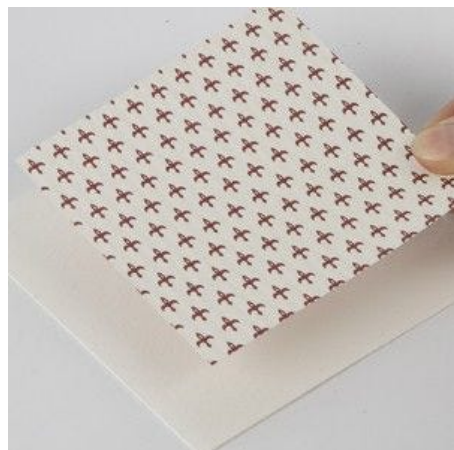

Hoe werkt het

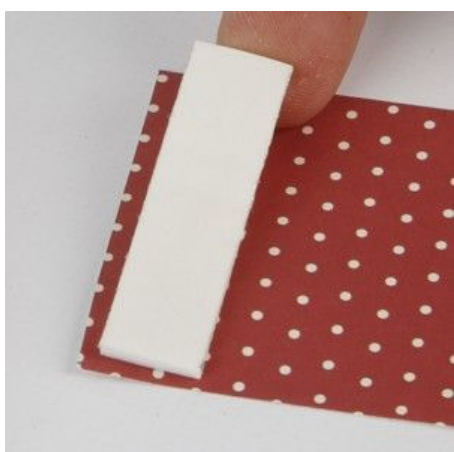

1 Cut 3 pieces of paper(10,5x10,5 – 6x8,5 – 5x7,5cm).

2 Add double-sided adhesive tape to the 2 largest pieces.

3 Assemble to the card.

4 Put foam tape on the back side of the smallest piece and put it on to the card.

5 Cut a heart out.

6 Make a hole for the brad, and assemble it to the card.

7 Decorate with rhinestone and text.
