

Prachtige kerstkaart

v1506

Een kerstgroet in kaartvorm met gekleurd karton en kerstvormen.

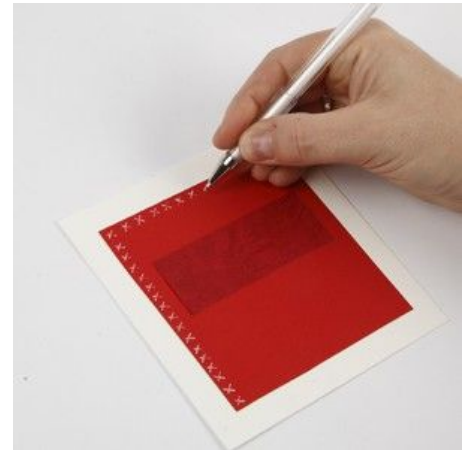

Hoe werkt het

1 Cut a square piece of red card measuring 10 x 10cm and a piece of red marbled effect paper measuring 3 x 8cm.

2 First attach the square and then the small piece of paper onto the card using double-sided adhesive tape.

3 Draw small crosses along the edge of the squared piece of card using a white gel pen.

4 Finally attach the wood veneer Christmas shapes using double-sided adhesive tape.
