

Sleutelhanger van Fimo met katoengaren

v15665

Maak je eigen sleutelhanger van Fimo klei. Fixeer in de oven op 130°C. voor 30 min. Laat afkoelen en decoreer met katoengaren.

Hoe werkt het

1 Print the template which is available as a PDF file on this page. Roll out a suitable amount of Fimo modelling clay on baking paper and fix in a household oven at 130°C. for 30 min.

2 Place your chosen template on top of the Fimo modelling clay.

3 Mark holes for embroidery using a needle.

4 Make small holes in the needle marks using revolving hole punch pliers.

5 Embroider between the holes with a needle and cotton yarn.

6 Cut out the figure.

7 Attach a keyring with a chain onto the figure.
