

Vlaggen met giraffen

v15661

Maak zelf deze leuke vlaggen met giraffen! De giraffen zijn gestanst en gedecoreerd met een strik van gestreept katoenkoord.

Hoe werkt het

1 Print the template which is available as a separate PDF file on this page. Cut out both sizes of flags from different coloured card. Attach the small flags on top of the large flags using double-sided adhesive tape.

2 Punch out giraffes from different colours of card.

3 Attach the giraffes to the flags using 3D foam pads. Punch holes in both top corners for hanging.

4 Tie a bow from striped cotton cord around the giraffes' neck and hang the flags onto a piece of string to make the bunting.
