

Paverpol kip

STEP BY STEP 023

Inspiration: 11704

01

Cut a 70cm long piece of wire netting. Bend and fold the wire netting to form a bird shape. Fasten the wire netting securely.

02

Tear the Gauze Bandage into pieces/strips. Soak in Paverpol and wind around the wire netting shape. Cover completely and let it dry.

03

When dry paint the figure with Pigment Acrylic Paint.
