

Platte gevlochten sterren

Sterren gevlochten van Vivi Gade vlechtstroken (de Oslo serie). Hang deze aan een stuk goudkleurig draad met parels.

01 Weave the stars following the instructions included in the package. Finish after step No. 15.

02 Cut off the ends.

03 Use a needle when attaching the stars onto a piece of gold thread.

04 Melt the ends of the thread for threading the beads onto the thread.

05 Glue the beads onto the thread. Apply a blob of glue and thread the beads onto the thread, over the glue.
