Decoratieve ballen

Decoratieve ballen van papier om op te hangen. Gemaakt van 8 circles en aan elkaar gemaakt met goud draad en Glue Dots. Gedecoreerd met parelmoer plastic kralen.

01 Cut out eight circles and fold them in half.

02 Put the circles on top of each other and assemble with a piece of gold thread.

07 This is how it should look like:

08 Attach a Glue Dot ¼ from the top on the last side.

03 Assemble the sides in pairs with Glue Dots. Start by attaching the Glue Dots approx. ¼ from the bottom.

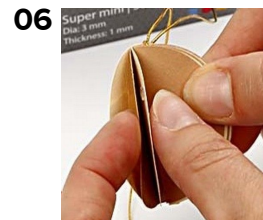

04 Press together.

09 Decorate the thread for hanging with mother-of-pearl plastic beads.

05 Now assemble the sides towards the left by attaching the Glue Dots approx. ¼ from the top.

06 Press together.
