Kerstkalender met zelf te vouwen doosjes

Een advent kalender gemaakt van zelf te vouwen doosjes. De deksels zijn bekleed met Vivi Gade Design cadeaupapier. Gedecoreerd met cijfers van vilt bevestigd aan koord met alligator clips.

01 Using the cut-out template (folding box), draw this onto the design paper and cut it out for the box lid.

02 Fold the lid. Fold the corners as shown in the photo.

03 Fold down the sides.

04 Fold down the front edge.

05 Fold down the back edge. Then unfold the box lid.

06 Glue the paper from step 1 onto the box lid with a glue stick.

07 Fold the lid.

08 Make a hole in the corner of the box lid and insert a piece of doubled-over paper string decorated with wood beads.

09 Fold the base of the box.

10 Decorate the side of the box with glued on felt numbers.
