## Hangende decoratie met Vivi Gade Design decoupagepapier

Decoupagepapier met tekst is gelijmd op hangende decoraties van stof en decoraties van Vivi Gade Design vierkanten van stof. De vierjanten van stof zijn op de hangende decoraties gelijmd en gedecoreerd met knopen en tassels gemaakt van gehaakt kant.

01 Cut or tear a piece of Vivi Gade Design paper larger than the fabric hanging decorations. Cut notches in the paper along the edges.

02 Glue the paper heart onto the fabric heart hanging decoration with fabric decoupage lacquer. Cut small pieces of Vivi Gade Design fabric from the Skagen series using pinking shears.

07 Sew a piece of mercerised cotton yarn through the holes on the button.

08 Now sew on the tassel and either sew or glue on the button.

03 Tear portrait motifs from decoupage paper and glue these on.

04 Tack along the edges with mercerised cotton yarn.

05 Glue fabric squares with the portrait motifs onto the stuffed fabric shapes. Only apply a small amount of glue inside the area with the tacking stitches made with the mercerised cotton yarn.

06 Make a tassel from crochet lace border and mercerised cotton yarn.
