

## Prachtige kerstkaart

STEP BY STEP 023

Inspiration: 1506

**01** Cut a square piece of red card measuring 10 x 10cm and a piece of red marble effect paper measuring 3 x 8cm.

**02** First attach the square and then the small piece of paper onto the card using double-sided adhesive tape.

**03** Draw small crosses along the edge of the squared piece of card using a white gel pen.

**04** Finally attach the wood veneer Christmas shapes using double-sided adhesive tape.
