

# Houten engelen

v1297

Geverfd met Plus Color acrylverf en gedecorrerd met vilten kristallen met strasstenen.

## Hoe werkt het

**1**  
Paint the angel.

**2**  
Make dots with the end of a brush.

**3**  
Cut hair from paper yarn, glue it on. You could make a hairdo by twisting the hair round, then attach with some glue.

**4**  
Cut a piece of a silver pipe cleaner.

**5**  
Twist round to make a halo and glue it on.

**6**  
Glue felt flowers together to make a flower chain and then glue it onto the angel's hands.
