

Origami

v11819

Here eight square pieces of paper are folded and assembled to make lovely decorations. The paper as well as the ribbon is from the Vivi Gade Design.

Hoe werkt het

1
Cut eight pieces of paper measuring 8x8cm.

2
Fold in half.

3
Unfold and fold each side towards the fold in the middle.

4
Fold in half and turn the fold down towards yourself.

5
Fold in half.

6
Unfold and fold both corners down towards the bottom fold.

7
Fold in half and press thoroughly using a bone folder. Fold the remaining seven pieces of paper in the same way.

8
Assemble the decoration by inserting the tips as shown in the photo.

9
The decoration achieves its proper shape by pushing the sides towards the middle.

10
Decorate with a ribbon for hanging and a bow. You may attach small rhinestones.
