

Christmas decorations

v10790

Decoratieve en bij elkaar passende kerstdecoraties van papier van onze eigen Vivi Gade Design, de Stockholm serie.

Hoe werkt het

1

The layer-on-layer heart is made as follows:

- Cut hearts in three different sizes.
- Put them on top of each other with 3D pads.
- Make a small hole in the biggest heart.
- Pass a ribbon through the hole and decorate with a wax bead.
- For further instructions to the other decorations to see:
- Cone, idea No. 10781
- Woven star, idea No. 1331
- Gift bag, idea No. 1339
- Folded box, idea No. 1340
- Christmas baubles, idea No. 1332
