

Ballerina's

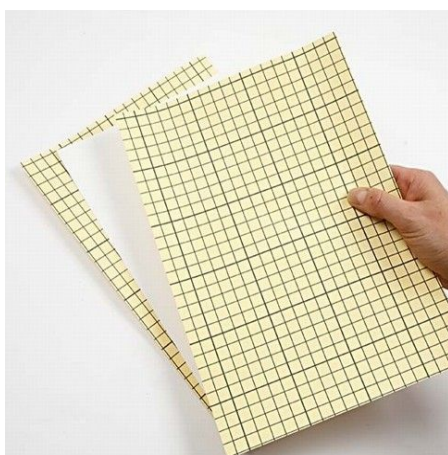

v12007

Ballerina's geknipt uit papier en in elkaar gezet met splitpennen.

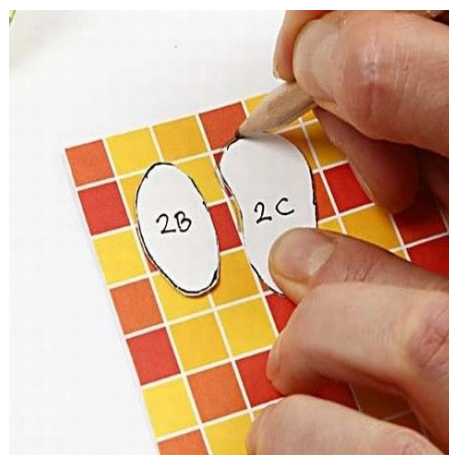

Hoe werkt het

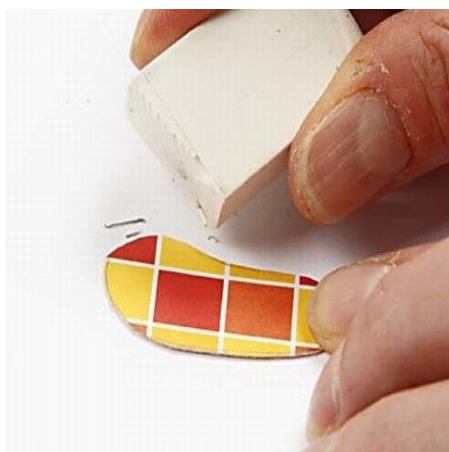

1
Cut out the ballerina parts using the template.

2
Double-sided adhesive tape has been put onto both sides of a piece of card to add strength to the finished ballerina.

3
Attach the desired coloured papers onto the ballerina.

4

5
Attach double-sided adhesive tape directly onto the paper for the ballerina parts No. 2E and 2F.

6
The following parts are attached directly onto the template No. 2 with double-sided adhesive tape.

7
Make a small hole with a sharp pair of scissors.
Assemble all the parts with brads.

8
Glue on cake napkins.
