**1.**

Cut out the fabric parts using the template.

**2.**

Sew the legs together, turn them inside out and fill lightly with polyester stuffing.

**3.**

Sew the body parts together, front side against front side with the legs in between as shown. Turn inside out and fill with polyester stuffing.

**4.**

Sew the arms and hands together. Sew the whole of the arm together – make sure to leave a 3cm hole for turning the arm inside out.

**5.**

Fill the arms with stuffing and sew the hole together.

**6.**

Sew the head onto the body.

**7.**

Sew a lace border onto the edge of the dress and as a collar.

**8.**

Sew the arms onto the body using buttons.

**9.**

Glue on cotton yarn as hair. Glue on wings.

**10.**

Twist silver thread to make a halo which is then glued on.
