

# Platte gevlochten sterren

Sterren gevlochten van Vivi Gade vlechtstroken (de Oslo serie). Hang deze aan een stuk goudkleurig draad met parels.

Inspiration: 11942

**1**

Weave the stars following the instructions included in the package. Finish after step No. 15.

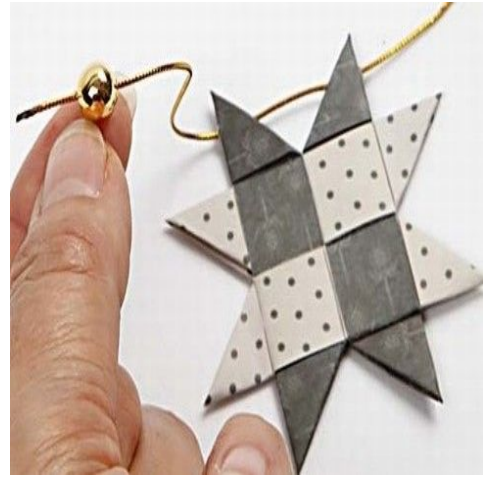

**2**

Cut off the ends.

**3**

Use a needle when attaching the stars onto a piece of gold thread.

**4**

Melt the ends of the thread for threading the beads onto the thread.

**5**

Glue the beads onto the thread. Apply a blob of glue and thread the beads onto the thread, over the glue.
