

## Candy Canes made from Felt

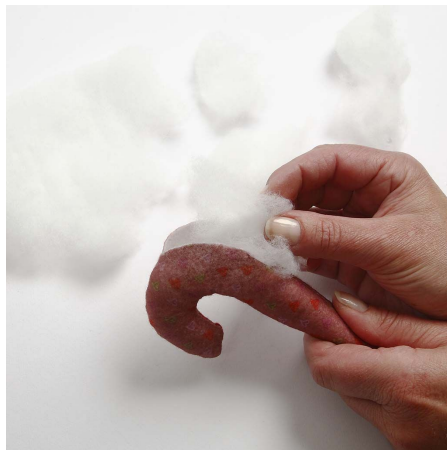

v11889

Candy canes sewn from Vivi Gade Design Felt (from the Helsinki series) and stuffed with polyester stuffing.

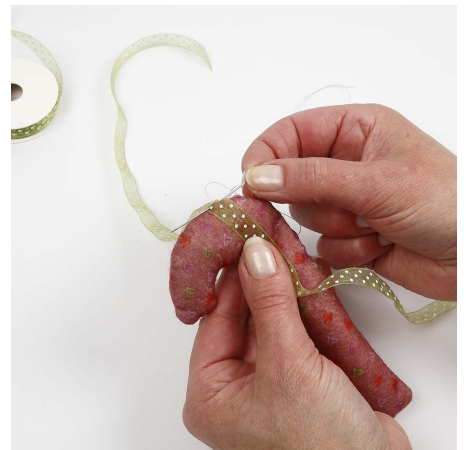

### *Hoe werkt het*

**1.** Draw the pattern and cut out. Sew together, outer side against outer side. Cut small notches in the curve of the cane.

**2.** Turn inside out and stuff with polyester stuffing. Sew together with invisible stitches.

**3.** Sew on the ribbon with sewing thread and finally tie the bow.
