

Kussen van theedoeken

v12307

Knuffelige kussens gemaakt van theedoeken en placemats; gedecoreerd met textielstiften en acryl garen.

Hoe werkt het

1.
Decorate the fabric using fabric markers.

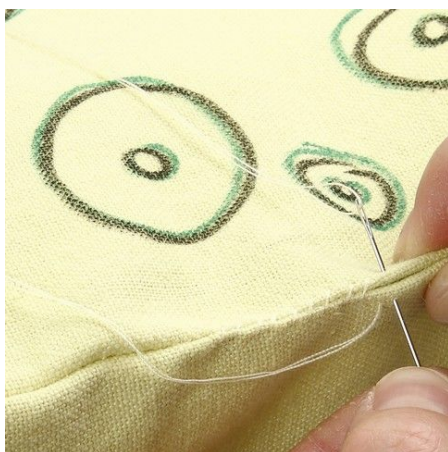

2.
Arrange the fabric, outer side against outer side and place a small ball of acrylic yarn between the layers.

3.
Sew the layers together and leave an opening at the bottom.

4.
Fill the cushion with polyester stuffing.

5.
Sew the cushion together.
