

Vlaggetjesdag

Maak zomerse vlaggen van vilt en decoreer deze met servetten die gelijmd worden met A-color Allround medium lijmlak.

Inspiration: 12494

1.

Apply a thin yet covering layer of A-color Allround medium glue lacquer to the felt using a brush.

2.

Attach the outer thin layer with the design onto the felt and gently apply another layer of A-color Allround medium glue lacquer. Let it dry.

3.

Cut streamers using the template.

4.

Attach the top end of the streamers around a piece of flax twine using a glue gun.
