

Uitnodiging met een houten hart

v12939

Deze serie kaarten is gemaakt door de volgende onderdelen op een blanco kaart te plakken: papier en karton uit de Color Bar serie, alsook tekst gedrukt op karton. Decoreer de kaart met een houten hart en een stuk natuurlijk koord.

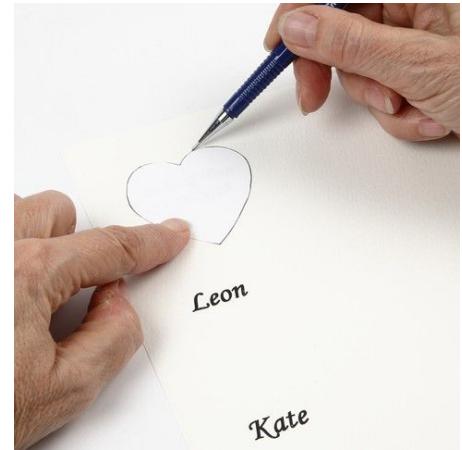

hoe werkt het

- 1.**
Cut the card and paper to size (slightly smaller than the front of the greeting card) and attach using double-sided adhesive tape.

- 2.**
Tie a piece of natural hemp through the hole at the top of the wooden heart and attach this onto the front of the greeting card.

- 3.**
Print a text onto a piece of party card. Use the template heart when cutting out the text in a heart shape.

- 4.**
Attach the heart with the text onto the wooden heart using double-sided adhesive tape.

- 5.**
Make a hole with hole punch pliers and tie a piece of natural hemp through the hole.

- 6.**
Menu card: Cut a piece of card measuring 28 x 9cm. Score across the middle with a bone folder and fold to make it a double-sided card. Attach the dotted paper, the printed menu and the heart which is cut out from Vivi Gade Design paper (the Skage series).

7.

Table decoration: Cut out a heart from Vivi Gade Design paper (the Skagen series) and soften it in warm water making it easy to lie flat and smooth. Decoupage it onto a fabric heart using decoupage lacquer for fabric.
