# Vivi Gade geschenkverpakking

v1339

Hoe werkt het

1
Draw the pattern on a piece of paper, and cut it out.

2
Turn the paper over, score along the dotted lines with a firm (not too sharp) stylus and bend.

3
Assemble the bag by adding double sided tape on one side and press the two sides together.

4
Fold the sides in at the bottom and assemble with a piece of double-sided adhesive tape.

5
Cut out a picture from the sheet.

6
Attach the picture onto a piece of patterned paper using double-sided adhesive tape.

7
Attach this onto the bag using double-sided tape.

8
Make a hole for the brad with an eyelet tool and attach the brad.

9
Decorate with rhinestones.
