

Vivi Gade cone

v1337

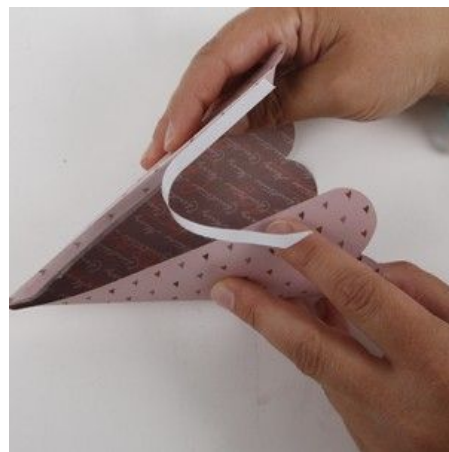

Hoe werkt het

1
Cut-out a cone shape.

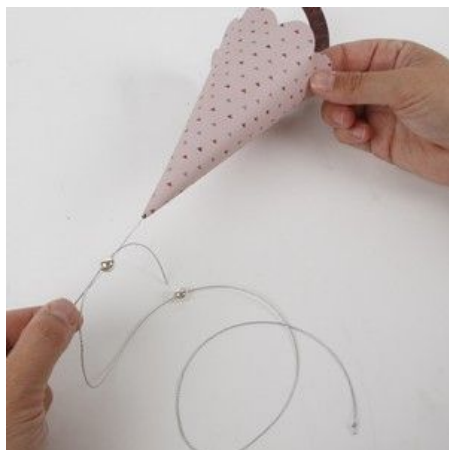

2
Draw a line on the paper with a firm (not too sharp) stylus to make a crease and bend it along the line.

3
Close the cone with double-side adhesive tape.

4
Cut a strip of paper out for the handle, and attach it with double-side adhesive tape.

5
Thread beads onto the string and pull through the cone.

6
Cut-out a picture.

7
Stick double-sided adhesive tape onto the back of the picture.

8
Attach the picture onto another piece of paper and cut it neatly round the edge.

9
Attach the picture to the cone.

10
Decorate with rhinestones.
