

Decoupage dienblad

v1419

Dienblad geverfd met Plus Color acrylverf en gedecoreerd met servetten.

Hoe werkt het

1
Paint the tray, try to avoid painting the bottom.

2
Part different napkins in three and use the top part with print.

3
Tear the napkin into pieces.

4
Brush with decoupage lacquer on a small part of the tray at the time, put on the pieces of napkin and brush on top using decoupage lacquer.

5
Finally brush on more time with the decoupage lacquer.
